Guess who it is

It's not what I see, it's how I feel

Well, it's you
then So of course.

What if I am a
different guy with
the same name ?
How can you be
so sure ?

Oh,
please!

I noticed that
people started to
suddenly look at
my direction, so
I figured so.

Hey... are you
serious ?

You are not
making this
interesting.

Yes, it's really weird

I've never had any doubts
Not even once in my life
Does that make any sense to you?

You know, how much you have confidence

There are always times

Someone so sweet
like you are very
popular
which people's
eyes are turned.

Where you might say,
"Maybe"

Yeah, maybe

Maybe, it's
just the white one
eye?

Face perhaps?

What is your
secret?

Let me
see

Is this So I am —

From the series *Men So Dark*
everyone is reading??

Not wrong.

No, nothing
like *the* them.

Sure, they both are
in "handsome"
category but he is
more of a tough guy
type.

Oh?
What about
Hua *the* them?

Well, it's time
to say it loud

He is like a sweet
chocolate.

That makes me
almost puke

Oh-?

Why are you
so surprised?

Well...

I didn't think you'd
put it like that

Especially for
them. So

You know
I did add "pink".

Even so --
Even so --

I don't deny
truth like kids.
The dude is really
handsome.

But compared to other
celebrities you're a really
different category.
It's like comparing a cat
with dogs.

So... what
you are saying
is...

That Han Se is that
handsome?

What's with
her reaction?

How about...

What do you think
of this proposal?

What?

What do you think
of this— I mean
this, let's put it like
this. What kind of
proposal do you think
I'd like?

It's... you are
kind of becoming
complicated
over there...

As if you
already know
all answers.

Heigh, complicated
my ass, just tell
me what pops up
in your mind.

Heigh,
well...

How not as clear
as you, you are...

What? I
do?

Heigh, you are
a damn well.

under
a dragon coat

It disappears
when I try to
hold it...

Well... you are looking
at me like you are
going to eat me alive...

Are you angry?

It's two people

What?
I thought you had
a part-time job
on weekends?

Hope I don't pull
anything to ruin your
image

Oh?

Yeah?

Well, it's weekends.
You got nothing
to do.

Why not just
tag along
with me for my
work ?
It's going to be
fun.

What ?
I am not going
there with this
cuffs

You are really
a nationalist.

You never told
anything about
this I am taking
off at the next
stop, guys

Crappy hell,
why don't you
just play
with me, huh ?

I wanna be with ya
all day long

Grr, come on!
Don't do this to me!

These participants
are making the
noise

... Please
Are you
happy now?

Yes, much

Why are you
sitting there?
Come over at
on my legs

Forget it
I am not wearing
my good clothes

and I don't
want my hair
looking
completely
messy

That's fine
You are pretty
anyway
it doesn't matter

You are the prettiest.

Cherry

Quit making me ride
a plane.

We two will protect
the store. No worries,
bro - Go home and sleep.

Are you trying to
really piss me off
or what?!

What do you
want to eat?

Huh?

Look...

Choose whatever
you want

Consider this as
my home.

I mean you
I feel like you'd sell
your internal organs
if you need to.

You don't think
I can?

There is what
is some
about you...

Do not
contact

I have
nothing to
say to you

...I told
you to just
leave.

Leave.

You are being
stubborn

It can be really
simple, you know

If she is bothering
you too much, just
"let her" be.

Isolate her from
everything so that
she cannot live
without you.

Why are you laughing?
I guess that you see that
you can't have her

You can do it if you
desire.

And you expect me to
love this you, right ?

Like what you did
to father
Isn't that right ?

So

Has he ever
complained about
his ill wife ?

Come on, mother
You know the answer.
His "ill fate" ?
Oh please.

As long as you are
around, he is the
happiest guy on Earth.
And it was you who made
him like that.

Though I do wonder
whether he really
wanted such a fate.

...
Hm So,
you...

Are you honestly
doubting that...

Ha Da may not
want you ?

Your puberty
seems to last
unusually
long...

It's very
unlike you
to sound
weak

Leave,
mom.

Hehehe, you've
become full
haven't you

I understand though
when there are plenty
of girls who will give
everything for you
I guess it was only a
matter of time before
you start to like
your food.

But it is not good
for your health, son.
And I don't remember
asking you to be like
that.

You've
never
heard me.

Mom's foods are
generally the best,
aren't they ?

I've tailored her
just the way
you want.

Although it
took more
effort than
I could actually
afford...

Don't treat her
like food !

That can only digest
such specific food...

That makes us
monsters.

ANIMES.COM

If you don't
want to think
like that

Just think that we are
a little more sensitive
than others

Sigh...

Watching you makes
me feel suffocated

How do, she was
born with almost
same eyes as
you

Then she should
realize by now

She ended up
stealing
figures

Just playing
around

That the wolf is ...

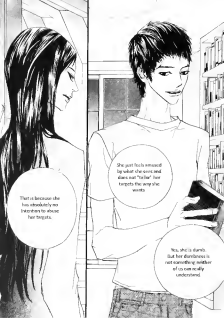

Why are dangerous.

There is no use in
being able to see
one's true face if
one's intelligence
cannot back it up.

What a waste
of the ability.
She is such a fool.

Do you know why
she is like that,
mother?

That is because she
has absolutely no
intention to abuse
her targets.

She just feels amazed
by what she sees and
does not "tailor" her
targets the way she
wants.

No, she is dumb.
But her dumbness is
not something neither
of us can really
understand.

"You know what, mother? I
find her more powerful
and amusing than you
even though she may just
be 'food' you're prepared
for me."

"You are
dreading."

So, what's it now?

What's the matter
now the student council?

There are so many
to point out

But since you're a fool,
I will make it simple.

Your shirt is too distracting.

Color patterns, and everything is too distracting for the school. And it's only 15% and you've already unbuttoned three from top. Now that is a distraction.

I don't remember reading about bottoms in school rule books.

they've become

You don't like
seeing me
unbuttoned

Then you
button it up, dude.

Don't you
worry?

Do it, now !

Geez, they
saw those
babies all
over

Shame

uh
uh

Are they enjoying
this or what ?
Can't they notice
the girls ?

If you are trying
to scare me
don't bother

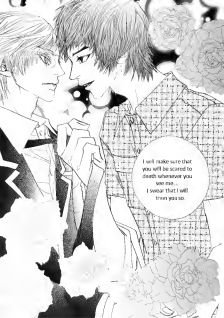

Oh, is that so?

I suppose I should
put more efforts
then

I will make sure that
you will be scared to
death whenever you
see me...

I swear that I will
freak you up.

Why don't
you do it
now?

Heheh, don't rush.
I may not look like it,
but I am actually
a perfectionist.

Do you
really not
have a job?

They are really going
to do it! Man,
this is the birth of
a new couple!

후후후 후후후 후후후

What?!

You met Han So?

Without me?!

What did you
do...

Nothing.
I only talked
to him.

I was even rather
friendly since I
brought him up the
last time.

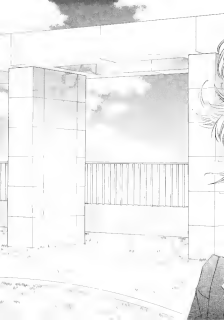

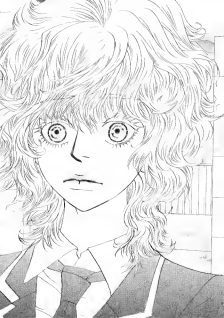

I bet you will
marry him.

What?

If he asks you.

What are you
talking about?
Why would he
ask me that?

He'd never!

Yeah ?
Why would
he ?

If either of us
is going to
propose, that'll
be me more
than him.
Well, I did once
I was just a kid
though.

And the result of
my proposal was
a long lecture on
how not to waste
life and crap.

Marriage between
me and him? So ?
Yeah, right.
Don't make me
laugh.

I did say "if"
So, what if he
does ask you
to marry him ?

Ha Se ...

Ha Se ...

proposes ?

Will you
marry me ?

... What
will you
say ?

Are you
crying or
smiling?

About his
mother

Is that so hard
just to imagine?

It's hard.
It's hard to even
imagine and I don't
want to imagine.

What is that
forbidden or
something?
Is he your second
brother or
something?

Yes, he is like a
brother to me.
A younger brother
more like

But he is
smaller

Don't be ridiculous.
"He is like"
means

He is Nat

You don't really
understand
anything, do you.

Understand?
What's there
to even
understand?

We've been together
ever since we were
kids.

Amount of time
we've been together
is more than
we were apart.

I've spent more time
with him than any of
my real family
members.

Well...

Haruki and
his T
He...

I've never thought
of such a possibility...

Such a relationship

I know it's hard to understand that

So you're not even going to explain?

That is not what I am saying. I am saying you won't understand

Gene I
I admit that you two are a special case, but that still does not change the fact that you two are not related to my blood

Am I wrong?

That means whatever you two decide to do nothing will be morally and morally wrong

Anything can happen at his suddenly

What?

Is this relationship
are you kidding me ?

You may deny it
like you do now

When I saw you two
for the first time, the
first thing that in my
mind was what a nice
couple you two were

But between
a man and
a woman,
anything can
happen

It can change all of a sudden
one day

Because nothing
is damn absolute

There is always
a chance

Do you have any idea
how much that makes
me craved ?

You are overreacting!

Why are you screaming?

You don't have to pull your hair off for something that has not happened

Why can't you trust me?

And even if there may be a chance, I know Hisao would never say that.

It's probably doesn't even think about it at all!

Do it now
Do it in front of me

Now that's
sudden...

What is this
about?

He is just trying
to say stuff
It's nothing.
Don't worry

Let's just go
Mr. Hong.
Come on!

What is going
on? And they
fighting again?

Sigh!
This is getting
really interesting
now.

"Would you please
marry me?"
Just say that to her.

That is all
I am asking.

Hey!

It's not like we
can get married
at our age
so what's the
big deal?

Just think of it
as asking
and just do it,
bro.

Why should I

Have to act for
you?

Good!
Why are you
going along
with this?!"

Hey...

I am looking
in your eyes,
am I not?

Does it you want
to get rid of you
once for all ?
Here is your chance

You have not, bro-
ther. I am sure you
know what I am
talking about

You don't get
this is not of
chance
everything

Just ask her to marry
you. I am not expecting
a great setting.
Just tell that to her

If you do a
really good
job.

What knows? I
might make my
hands off
for good.

What?!!

I just need to see
how she reacts
though.

Huh.

Mr.
Che Ju Hong !!

Why are you getting
all nervous all of a
sudden ?

I'd rather not.

Why are you
looking odd
foot or
something?

Well...

You are trying to push
your luck.
What if she accepts
my proposal ?

It's the only ending
if neither of us agrees
no

if neither of us
breaks the rule
and becomes
someone

Then it will no longer
be ending;
won't that right?

Well, I am sure you
do understand
what you are trying
to do, yes?

Are you really
sure about this?

You do know
that you will ~~be~~ be
having yourself,
do you not?

Therefore...
I have no reason
not to grant your
request.

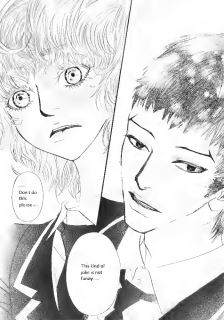

Hi Go,
will you
marry me?

Don't do
this,
please —

This kind of
job is not
funny —

Let it go

Mr. Hong is going
to think that you
are being nervous.

...Stop.
That's enough.

I got it.
Let her
lead you.

Let go of
her hand!

Let her
go.
She's not
yours.

You wanna a
piece of me ?!
Is that it ?!

That hurts,
you jackass !

!!

It

You wanted a
piece of me? 24
Why the hell
did you bite
me? 25

Since you got
taken I am
nothing! That's 24
Time to rethink
that! 25

Wow, that
hurts
let go

Let go!

Of course it
hurts! That's
what I was doing
this for!

You didn't
have to get
on the table!

See?
I told you so.

All he ever does
is gloat around!

What a way to
make me in front
of everyone, gone!
Are you happy
now?

You!

Cha
Jin Hong!

Although I was
driven by a sign
because your two
words being so
uncertain

I was about
SDN service

What if

Well, SDN is SDN...
I did think about it.

And to be honest...

I am getting tired
of this also...

we left you
a little mark

Does it
hurt ?

What do
you mean?
Oh, what
are you doing?

Emergency
aid

In order to make you
completely mine and
mine yours.

What are you
telling about?
I can't believe
you.

And you are
acting extra
silly.

Oh... you
are not like
anybody else
yet...

Is that what you
are basically saying
in disguise, right ?

Am I right ?

Just why did you
have to

Go all the way
around the
point ?

That's ...
embarrassing !
How can you
say that out
loud ?

Are you for real ?
It was you who brought
it up ! I simply spoke
your mind out for you.

Or are you saying
that you said
whatever was
going on your
mind due to
anger ?

Oh...
well...
I see.

You are really
shaped !

D, dude I

is that really
alright ?

Are you
nuts?

No way in the wet hole
that I was going to go
all the way with you
now!

What
is it?

I think...

I mean I don't
think we should
do this all of a
sudden like
this. We need
preparation.

preparation."

Of course,
yes, yes!

It's for the first time
for you also, right?!!
Birth control method
and where to have
it!!

Well,
where?

You!!
I feel you've
never had sex

what you are a
freedomer!

Wondering what's in
the hall happens,
if I got to know my first
sex in a creepy place
like this, who knows or
some cheap love hotel -

I will curse you
however possible
for my whole life,
you got that ?!

What are
you doing?!

It's all
nothing!

Stay -!

Just stay
still for a bit

Let me enjoy
the moment while
it lasts

Crap, just
connecting.
I can't breathe

Oh, I got it,
He-He.

Really?

I was satisfied by
the fact that you
were willing to
even think that
for

I am fully
satisfied

Indeed?

That's enough

뭐야—

He is like me

He feels lower

He feels
lonely
because ...

He may mean
nothing more
than a plaything

He feels

thus means

We both
needed
something to

Finally

where
the :

Why did Han Se
pop up in my
head all of a
sudden?

No
reason

I feel
somewhat
guilty for
this guy

Guessing
ones? That's new

Now I feel
really bad
for him

For me
reason

Free by
me

Sorry,
Jin-Hang

But this cannot
be helped

Did you know?

The reason
I thought about
him was...

Youth, I think
it was...

People think
we are ... strange

Strange?

Yeah.

Kazuyoshi said
before he left.

He said we
were strange.

Not only that,
he said we were
super strange.

Never mind
what he said.

What would
he know about
us?

Then,
Dad?

What did he say exactly?

See? They are serious

And told me

What your mom told me about these men...

He said it was a bad game,

He said we were meant to be together anyway and told me not to waste time going after supposedly wrong ones

He told me to forget all others and just focus on you And he was dead serious

Faces are nice ?
Just how so ?

... does it know ?
I guess I gotta
marry you or
something ?

I know,
dude

It's gross

Talk about being
rednecks.
We can't even date
each other
Marriage ?

Hey, wait.
That plans on
get a life

Can
have

Nothing is
impossible,
you know

Ma, I am not
your damn
pet.

Come
on...

You know,
you have great
tendency of
looking me down.

Am I so
close to
you?

Don't bring it
back. You know
well I am not
like that.

Oh do you
not trust me
anymore? Is that it?

What?

Don't
bet me.

See?
This is exactly
why we cannot
cross the final
line.

Is there
something
wrong with
trusting
you?

Quit wasting
energy like this.
We can't be in
a romantic
relationship

Don't need to see
into the future to
figure out this one.
We look something
for romance.

What I was saying
is how you can
be so sure?
Did you see into
the future or
something?

And what
would that
be?

We look...

Doubts

And

Mistrust

Wouldn't there
be issues if a
relationship has
these?

If there is
too much of
that, yes

And if there is
none, that is
a problem
as well.

What?
How come?!

Because there won't
be thrill and excitement.
Your heart won't race
or anything.

What?

So, we can't be
a couple because
we trust each
other completely?

Yep.

So he was right
the **ARE** strange.
We are super
strange men!

No, we are
not strange.

We are ...
special

Why?

I guess being
special isn't all
that great

What?

Well, if being special
is supposed to
be a good thing,

Why would I feel...

So lonely
when I am with
you sometimes ?

Sorry

Hey, what are you
apologizing for ?

You sound as if
you make me
feel lonely

And why did you
smile so loudly
like that?
Why would you ... ?

You're
hesitating about
something, after
this one,
aren't you?

Oh?
Not ... really.

Anyway,
what's our
next going?

It's not your fault,
I am just saying,
good.

Hey?
Don't give
me the idea
that.

As if he knows
everything!

What?
I told you
already.

I invited you
to my home.

Why
did you?

Wow,
you are
rich?

My dad
is... not
me.

Anyway,
do you realize
this?

Your love toward
me has turned a
turning point.

It's been
almost three
months since
I ran away from
home.

Is?

You can't stay
from home?!

Don't judge
me by my
dark past

What did you
mean by me
saying you?!

I figured
this would be
the best place
to meet you

Let's just about
the place for
today

It has got a nice
view and has all
the features you
can find from a
5 star hotel!

Social news is that
dad is never home
since he's so busy
with work

you said my
thoughts were

Don't you worry,
geez. I won't eat
you or anything.!

so I can't put

you can.

I am leaving

This is
becoming
harder
quickly

Leaving
already ?

I thought
you'd take a
good look ?

Are you
abandoning
me ?

Ready ?

Do you know what
time it is ?
Are you really expecting
me to sleep here ?
Jackson !

Don't go
Stay here
until morning.

I thought so !

I will hold your
hand only.
I won't do
anything else.

ANIMAPARC.COM

You are being
sneaky.
You know that ?

You never come
home when I need
you and you come
home on a day when
I don't need you !
I hate you !

What did you say ?
This Da, he was
trying to push
himself on you,
wasn't he ?

Nothing happened, We hold hands and that's what happened.

For tonight, that is.

What, you got a hair
cut again ?
You promised to
go together

Don't cut your
hair. It's longer
like

Are you
trying to
push

on you ?

Are you
joking ?

Well, I suppose ...

Midori is going to find out that ...

How I wonder...

You grew
a lot taller

How tall
are you
now?

Well...

Probably rather
than them by all
means

You still
want them as
a reward?

Not
at all.
